Re: Jr. Vice Commandants Quarterly Report October 2009

First of all I would like to thank you all for electing me as the Jr. Vice. I hope I can live up to your expectations.

The Youth and Veterans tickets are out and I hope they are selling. With all the carnivals and yard sales going on this time of the year, that would be a good place to start. If your detachment needs more tickets please don't hesitate to call or e-mail. I will put them in the mail the next day. I will also have tickets at the quarterly staff meeting in October.

Calendars and money are coming in slowly, but they are coming. Please send me the cards and checks so I can document it in my files. I will send the checks to the Paymaster. If your detachment has any calendars unsold by the quarterly staff meeting, please bring them.

All chairpersons who have a budget item please start thinking about your needs for next year. The committee will need that information to make up the budget.

I will be making a motion at the quarterly staff meeting to run the calendar program for 2011. When the motion is passed, we will need pictures from League functions to insert into it. The graphics committee will start working on the layout as soon as feasible.
