

SOUTHEAST DISTRICT QUARTERLY REPORT  
OCTOBER - DECEMBER 2009

On November 7<sup>th</sup>, I along with Assistant District Vice Jim Powell and our spouses, attended the Birthday Ball hosted by the Tun Tavern Detachment in South Philadelphia. It was wonderful time enjoyed by all who attended.

On November 10<sup>th</sup>, I was an honored guest of the Maple Point Middle School in Langhorne, Pa along with around eighty other veterans being honored by the students form the school, one of which is my Grandson. This is done every year on Veterans Day.

Also the same day I managed to make an appearance at the annual celebration of the MC birthday at Cookies Tavern in South Philadelphia. It was well attended with plenty of food and beverage for everyone to enjoy.

On November 11<sup>th</sup>, I attended the monthly meeting of my Central Bucks Detachment. Nothing unusual to report. Also I attended a Memorial Service called Post Everlasting at the American Legion Post 960 in Levittown, Pa. This event honors deceased members from the past year followed by a dinner.

On November 22<sup>nd</sup>, I participated in the annual Mom 4R Marines stocking stuffer event hoisted by the All Divisions Detachment along with Marine Mom, Patty Lewis. It was another successful year with many packages being sent to the Marines in Iraq and Afghanistan.

On December 9<sup>th</sup> I attended the monthly meeting of the Central Bucks Detachment. This meeting saw the resignation of the Sr. Vice Commandant resulting in the resignation of the Jr. Vice Commandant who then moved up to the Sr. Vice Commandant position and the election of a new Jr. Vice Commandant took place. I then obligated and installed into office Marine Ben Jones as the new Sr. Vice and Marine Jack Gentile as the new Jr. Vice Commandant.

On December 13<sup>th</sup>, I attended the Central Bucks Detachment Christmas Dinner for members and their guests held at the Waterwheel Restaurant in Doylestown, Pa. It was very successful and well attended.

On December 15<sup>th</sup>, I along with Aide-de-Camp, Dick Kondash assisted Department Commandant, Leanna Dietrich in Installing the officers of the Upper Darby Detachment. I also had an opportunity to tour the museum located at the detachment home.

On December 20<sup>th</sup>, I attended the Albert E. Smith Pound 179 Growl and Christmas Party. During the Growl, we initiated and obligated into the Order two new Pups, Marines Frank LeClair from the Chester County Detachment and Ken Murray from the Central Bucks Detachment. We welcome them on board.

My duties and activities also have me organizing and planning a Southeast District Meeting to be hosted by the Chester County Detachment at their home in Downingtown, Pa on the 31<sup>st</sup> of January 2010. This meeting will also include the members of the Marine Corps League Auxiliary from the Southeast District and their District Vice President Sandra Krutheim.

This concludes my activities for the period stated.

Respectfully submitted,

Bill Miller  
Southeast District Vice Commandant  
Department of Pennsylvania Marine Corps League, Inc.
