

UNIFORM NOTES

The following uniform changes have been made at the last National Convention.

1. One (1) to three (3) large Marine Corps League or DOD medals may be worn on your blazer. These are to be mounted on a ribbon bar, centered over the left breast pocket.
2. Associate members will wear the sunburst device on their cover, rather than the M.C.L. device now worn. The M.C.L. device will still be worn on the shirt collar.
3. Ordained ministers (not Detachment Chaplains unless ordained) may wear a religious symbol pin of their faith on their red blazer collar. (Not on their cover) It is to be the type the DOD use.
4. The Marine of the Year medallion may be worn with the Casual or Formal uniform. Only one, Chapel of Four, Devil Dogs or MOY, medallion may be worn at a time. It will **not** be worn with the Undress or Ceremonial uniform.
