Chuck Hollon, Assistant Vice Commandant,

It has been my honor and privilege to serve on the POW/MIA Committee. My Goal has been to keep all of you informed to what is going on at all levels of our Government. To insure that our POW/MIA's are not written off as all being dead as was the case in South East Asia a few years back.

I would like to remind all members that we need to contact our Senators & Representatives to have them keep the POW/MIA issue alive. I feel that there are a lot of them from WW11, Korea, Vietnam and the gulf War still alive. There needs to be an accounting for all for our missing comrades, and that the battle to locate them is all our responsibility.
