

15 March 2008

**Sir Commandant, Southeast District report February 2008**

15 February thru March 2008

Attended Upper Perkoimen Joint Veteran's Council meeting, Red Hill

Attended Mess night, Bethlehem Detachment, Bethlehem

Attended regular meeting, Tri-Boro Detachment, Red Hill

The only item question/complaint, left open from our Southeast District meeting was second billing for League labels. The label program is outsourced and the second billing can cause some confusion or frustration. That said, the program overall works well and the reminder (second billing), generates income that otherwise would not happen.
